

Governance Essentials for Board Members

Just-in-time professional development training. Best practice. NZ focus. Part time. Online. A high quality, personally tutored training experience.

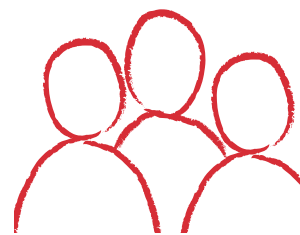

Flexible

Available when you are - no set times, participate when it suits you during the week or on weekends.

Convenient

Get online from home, work, or with a mobile device between other commitments.

Community

Join in with people who have similar roles and discover how other organisations do things.

With ongoing tutor contact throughout and access to interesting and relevant learning materials, we support you to complete the course, gain skills and knowledge and develop your competence.

You will learn about best practice governance and also have your own questions answered so you can see how to apply the information to your situation. Plus you will also connect with others in the governance community, providing an opportunity to broaden your understandings and networks.

Written and tutored by Gail Munro, Governance Strategies Ltd. Training Design and delivery facilitation by Xperts Ltd.

Gail Munro, the tutor, is extremely experienced in governance training, Xperts are specialists in designing learning. Together we help you easily understand what you need to know to be effective as part of a Board.

Written especially for potential or newly appointed Board members, this training focuses on the key aspects of the role. Real-world learning spread across four weeks (up to 2 hours per week), completion of interesting weekly research and reflection assignments, plus an online core knowledge confirmation test.

What you will learn about

- Essential governance terms.
- Legal entity.
- Legal responsibilities.
- Fiduciary responsibilities including conflicts of interest.
- Governance oversight, stewardship and employer roles.
- Governance responsibilities.
- The roles and responsibilities of office holders and Board members.
- Effective Board Meetings.
- Board Leadership.
- Understanding team dynamics.
- Understanding conflict.
- The role of the Manager.
